Restaurant may provide hospitality but is not the word itself.  
Obligingness relates to someone who doesn't want to be generous but feels like they have to  
Charity is donating to those less fortunate which may be strangers but not necessarily hospitality.  
Kindness can be shown in hospitality but is not the same thing.
- Neighbourliness is the most similar in match as being neighbourly means to be welcoming to someone.

- 

- 33      B      All the other words relate to a minor perforation that can be made with a needle or small instrument. A fracture implies a large broken area and is usually made with a large impact on bone as opposed to a skin surface with a needle.
